

**Appreciated stock can support our church
AND help you avoid taxes!**

Do you:

- Own stock (for more than one year) that has appreciated in value?
- Want to support our operating or Endowment fund while avoiding capital gains tax?

Giftting stock to our church or Endowment is tax-savvy way to give!

The United Methodist Foundation of Western North Carolina, INC will receive and liquidate gifts of stock on the church's behalf at no cost, sending a check directly to the church in the full amount of your stock gift.

Please be aware that if you sell the stock yourself and then gift the proceeds, you will pay capital gains tax on the proceeds. The funds passing through your hands will trigger a taxable event for you.

For mor information and assistance on making a stock gift to our church, contact the church office at (828)524-3010.
